

**REMARKS**

The Examiner is thanked for the thorough examination and search of the subject.

The applicant hereby withdraws a benefit for claiming prior applications. In regards to the related patents and patent applications, Applicant has provided information on related patents and patent applications relevant to the present application.

Claims 75-101 have been newly added. Claims 1-74 have been canceled.

Some or all of newly-added claims are believed to be in condition for Allowance, and that is so requested.

Applicants have amended the Specification to improve the Title, and to provide information on related patents and patent applications.

In regards to the Title, Applicants have amended the Title to "CHIP PACKAGE WITH MULTIPLE CHIPS" to limit the focus to the claimed invention. Applicants respectfully request that this title be entered by amendment.

In regards to the related patents and patent applications, Applicant has provided information on related patents and patent applications relevant to the present application.

**Response to Election/Restrictions**

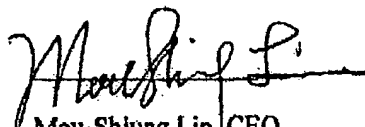

In response to the Restriction Requirement mailed on September 29, 2005 regarding the above-identified application, Applicants elect sub-species II, figure 45. Pursuant to the elected species, claims 75-101 are elected for further examination on merits.

CONCLUSION

For at least the foregoing reasons, it is believed that the pending claims 75-101 are in proper condition for allowance.

Respectfully submitted,

Date: October 27, 2005
